CIF PROCEDUES PRIOR SHIPMENT

- 1.) Seller sends FCO and Draft Contract to the buyer for Verification.
2. Buyers Receives FCO and Draft Contract, sign and sealed, then Forwarded back to the Seller for verification before showing the signed documents to the Corporation Local Miners Store Keeper for the Release of the first tranche of Merchandise needed..
- 3.) Sellers side goes over signed contract and immediately forward the Gold Bars, would be pre-Assayer by the Ministry of Scientific Research with a copy of the pre-Assayer Results issued out to be forwarded to the Buyers end as a Reference copy to their Buyers Gold Refinery. (Buyers end should note here that, the pre assayer carried out from our Government is necessary here even though we don't have good technological Devises for such test. This is because we don't even have a single refinery in our country to test out gold. So all this is done by our Ministry of Scientific Research)
- 4.) Upon receiving the Pre Assayer Test Results, Seller side would immediately get dated pictures with news paper covers of the gold bars to be ship with Buyers names and address written and placed inside the boxes of Gold and would immediately Book a day to deposit the Gold at the Ministry of Mines prior to Obtain a OBLIGATORY BUYERS REGISTRATION PERMIT or the shipment of the said cargo.

Note:

(The Buyer side should get it clear here that, these are Cameroon Obligatory procedures for the sales of Precious Metals on International bases for the Cameroon Ministry of Mines would have to give us a date for us to bring printed hard copies of our signed SPA for approval alongside the goods and the pre assayer test result sheet from our Ministry of Scientific Research.

During this period of time, the Ministry of Mines storage house upon receiving these documents and the goods at our appointed date would have to communicate with the Buyers end on an Interview Bases, a time schedule would be given for that due to time differences. The interview would be done either on a direct phone communication with the Buyers end or Skype communication. This would be done in order to find out if they are willing and able to get the consignment from us and while not get into a long term trade with our corporation that would bring about development in a long Run. Also to find out if the buyers end got any bad records out there in terms of International trade.

All Results being negative, then the whole deal would be canceled out and we shall get back our Gold. We shall provide the buyers end with such guide of questions they shall ask your side for the Interview.

(5 Upon Confirmation of a positive Test results from the Interview with the Buyers end, the Ministry of Mines storage house would at this moment registered down the amount of Gold they have receive for shipment, forward a copy of our SPA to their contract department for procession and approval and as well issue out their CONFIRMATION LETTER, SKR as well as their PROFORMA INVOICE for the payments of the said OBLIGATORY BUYERS REGISTRATION PERMIT.

The cost of the said OBLIGATORY BUYERS REGISTRATION PERMIT for 5 years that leaves 7500 dollars usd and it is valid for 5 years renewable and the fee is paid directly to the Cameroon Ministry of Mines account to obtain the permit before the as

Document (JV) for their JV project. (Please note that the Cameroon Government at this Juncture is

Mostly looking for JV deals for we need all the man power over there to exploit our Natural resources. We don't even have a single Refinery for crying out loud and those resources are lying there underused with many not even discovered. All this is as a result of Inadequate Technological Diverse)

Note: the validity of this offer is 20 days from dated herein and will be terminated sooner if non-compliance from the buyer)

The FCO shall become expired, null and void. No changes, alterations, or substitutions shall be permitted unless the same shall be notified in writing and signed by both Parties.
